Dear Hiring Authority:

I am interested in exploring employment opportunities with your company. Please find my career portfolio enclosed; the document will furnish you with the relevant details highlighting my extensive and diversified work history and education. Any additional information needed will be promptly provided upon your request.

As my resume will illustrate, I have developed a diversified work history in a variety of professional environments. My skill base is extensive with expertise in the areas of management, administration, accounting, customer relationship development/maintenance and problem solving. My personal qualifications encompass excellent communication and interpersonal skills with the ability to successfully perform multiple tasks simultaneously without sacrificing quality or exceeding deadlines.

My expertise also includes:

- promoting organizational growth through direct sales, strategic marketing initiatives and account management/development;
- prioritizing and managing client needs effectively;
- implementing an unparalleled level of quality service to accounts;
- working well in team, training, leadership and liaison roles.

I would like to contribute my abilities in a position within your organization. Should your team need a confident and ambitious professional, please contact me, so we may further elaborate on my correspondence. Thank you for your time and consideration.

Sincerely,

Jeffrey Michael Reichert
